Subject: Resolution for Retroactive Authorization to Apply for, Receive and Expend \$30,536 in Grant Funds from the State of Florida, Division of Emergency Management, Bureau Of Preparedness in Fiscal Years 2011-2013 for Hazardous Materials Site Analysis

Recommendation

It is recommended that the Board of County Commissioners approve the attached Resolution authorizing the County Mayor or the County Mayor's designee to retroactively apply for, receive and expend new grant funds from the State of Florida Division of Emergency Management, Bureau of Preparedness, in the amount of \$30,536 for Fiscal Year 2012-13. Because the grant period commences July 1, 2012 and Miami-Dade Fire Rescue was notified on July 18, 2012 that the grant had been awarded, retroactive approval is required. This grant does not require matching or in-kind funds.

Scope

The grant will provide countywide services.

Fiscal Impact/Funding Source

This grant will provide \$30,536 in state funds for hazardous site analysis in Fiscal Year 2011-2012 and Fiscal Year 2012-13. The grant does not require any matching or in-kind funds. The funding source is the State of Florida, Division of Emergency Management, Bureau of Preparedness.

Track Record/Monitoring

The grant award will be monitored by Lisset Valledor, Grants Manager, with the Miami-Dade Fire Rescue Department.

Background

Every year, based upon a State of Florida allocation formula, the Florida Division of Emergency Management, Bureau of Preparedness appropriates funds to counties for conducting site specific hazard analysis and hazardous material management activities.

This is a fixed fee, performance based grant agreement with a corresponding scope of work, schedule of deliverables and payments. Ratification of this application is necessary because the proposal did not allow time to submit the Resolution to the Board of County Commissioners prior to submitting the application.

The Division may impose a penalty equal to one-percent (1%) of the total grant amount, for each occurrence, if any of the deliverables in the Scope of Work - Schedule of Deliverables - Schedule of Payments (Attachment A) are not submitted in a timely manner. The Recipient may request an extension to any deliverable deadline due to extenuating circumstances. The Division

at its discretion may extend any deliverable deadline upon receipt of a written request from the Recipient.

(8) MONITORING.

The Recipient shall monitor its performance under this Agreement, as well as that of its subcontractors and/or consultants who are paid from funds provided under this Agreement, to ensure that time schedules are being met, are being accomplished within the specified time periods, and other performance goals are being achieved. A review shall be done for each function or activity in Attachment A to this Agreement.

In addition to reviews of audits conducted in accordance with paragraph (6) above, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited Scope of Work audits, and/or other procedures. The Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division determines that a limited audit of the Recipient is appropriate, the Recipient agrees to comply with any additional instructions provided by the Division to the Recipient regarding such audit. The Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Recipient throughout the contract term to ensure timely completion of all tasks.

(9) LIABILITY

(a) Unless Recipient is a State agency or subdivision, as defined in Section 768.28, Fla. Stat., the Recipient is solely responsible to parties it deals with in carrying out the terms of this Agreement, and shall hold the Division harmless against all claims of whatever nature by third parties arising from the work performance under this Agreement. For purposes of this Agreement, Recipient agrees that it is not an employee or agent of the Division, but is an independent contractor.

(b) Any Recipient which is a state agency or subdivision, as defined in Section 768.28, Fla. Stat., agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in Section 768.28, Fla. Stat. Nothing herein is intended to serve as a waiver of sovereign immunity by any Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(10) DEFAULT.

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall, if the Division elects, terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (11). However, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment:

(a) If any warranty or representation made by the Recipient in this Agreement or any previous agreement with the Division is or becomes false or misleading in any respect, or if the Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

(b) If material adverse changes occur in the financial condition of the Recipient at any time during the term of this Agreement and the Recipient fails to cure this adverse change within thirty days from the date written notice is sent by the Division.

(c) If any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information;

(d) If the Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(11) REMEDIES.

If an Event of Default occurs, then the Division may, after thirty calendar days written notice to the Recipient and upon the Recipient's failure to cure within those thirty days, exercise any one or more of the following remedies, either concurrently or consecutively:

(a) Terminate this Agreement, provided that the Recipient is given at least thirty days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (13) herein;

(b) Begin an appropriate legal or equitable action to enforce performance of this Agreement;

(c) Withhold or suspend payment of all or any part of a request for payment;

(d) Require that the Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

(e) Exercise any corrective or remedial actions, to include but not be limited to:

1. request additional information from the Recipient to determine the reasons for or the extent of non-compliance or lack of performance,

2. issue a written warning to advise that more serious measures may be taken if the situation is not corrected,

3. advise the Recipient to suspend, discontinue or refrain from incurring costs for any activities in question or

4. require the Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

(f) Exercise any other rights or remedies which may be available under law.

(g) Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in

this Agreement or fails to insist on strict performance by the Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Recipient.

(12) TERMINATION.

(a) The Division may terminate this Agreement for cause after thirty days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on-time, and refusal by the Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Fla. Stat., as amended.

(b) The Division may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Recipient with thirty calendar days prior written notice.

(c) The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

(d) In the event that this Agreement is terminated, the Recipient will not incur new obligations for the terminated portion of the Agreement after the Recipient has received the notification of termination. The Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Recipient. The Division may, to the extent authorized by law, withhold payments to the Recipient for the purpose of set-off until the exact amount of damages due the Division from the Recipient is determined.

If the Recipient is unable to certify to any of the statements in this certification, then the Recipient shall attach an explanation to this Agreement.

In addition, the Recipient shall send to the Division (by email or by facsimile transmission) the completed "Certification Regarding Debarment, Suspension, Ineligibility And Voluntary Exclusion" (Attachment G) for each intended subcontractor which Recipient plans to fund under this Agreement. (l) If the Recipient is allowed to temporarily invest any advances of funds under this Agreement, any interest income shall either be returned to the Division or be applied against the Division's obligation to pay the contract amount.

(m) The State of Florida will not intentionally award publicly-funded contracts to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a(e) [Section 274A(e) of the Immigration and Nationality Act ("INA")]. The Division shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the Recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this Agreement by the Division.

(n) The Recipient is subject to Florida's Government in the Sunshine Law (Section 286.011, Fla. Stat.) with respect to the meetings of the Recipient's governing board or the meetings of any subcommittee making recommendations to the governing board. Attachment A

SCOPE OF WORK - SCHEDULE OF DELIVERABLES - SCHEDULE OF PAYMENTS

Purpose

To update the hazards analysis for all facilities listed in Attachment B, which have reported to the State Emergency Response Commission the presence of those specific Extremely Hazardous Substances designated by the U.S. Environmental Protection Agency in quantities at or above the Threshold Planning Quantity. The data collected under this Agreement will be used to comply with the planning requirements of the Superfund Amendments and Reauthorization Act of 1986, Title III, "Emergency Planning and Community Right-To-Know Act of 1986" and the Florida Emergency Planning and Community Right-To-Know Act, Florida Statutes, Chapter 252, Part II.

Requirements

- A. The Recipient shall submit a list of facilities within the geographical boundaries of the County listed on Attachment B that are suspected of not reporting to the State Emergency Response Commission the presence of Extremely Hazardous Substances in quantities at or above the Threshold Planning Quantity, as designated by the U. S. Environmental Protection Agency.
- B. The completed hazards analysis shall comply with the site-specific hazards analysis criteria outlined in this Attachment for each facility listed in Attachment B. The primary guidance documents are Attachment D (Hazards Analysis Contract Checklist and CAMEO Guide) to this Agreement and the U.S. Environmental Protection Agency's "Technical Guidance for Hazards Analysis" at: <http://www.epa.gov/emergencies/docs/chem/tech.pdf>. All hazards analyses shall be consistent with the provisions of these documents. Any variation from the procedures outlined in these documents must be requested in writing, submitted in advance and approved by the Division.
- C. Conduct an on-site visit at each Attachment B facility to ensure accuracy of the hazards analysis. Each applicable facility's hazards analysis information shall be entered into the U.S. Environmental Protection Agency's CAMEO version 2.3 (download from): <http://www.epa.gov/emergencies/content/cameo/index.htm>. Each facility hazards analysis shall include, but is not limited to, the following items:

1. Facility Information

- (a) Provide the Facility name (per Attachment B)
- (b) Facility physical address (no Post Office Box).
- (c) Facility Identification
 - (1) Provide the State Emergency Response Commission Code identification number (per Attachment B) in the Department field on the Facilities page in CAMEO.
 - (2) Provide the geographic coordinates (latitude and longitude in decimal/degrees).
- (d) Facility Emergency Coordinator

Provide the name, title and telephone number (daytime and 24-hour) of the designated facility emergency coordinator.

(e). Transportation Routes

List the main route(s) used to transport chemicals to the facility (from the County line to the facility).

(f) Evacuation Routes

Based on wind direction from the North, South, East and West, identify the route(s) from the facility to exit the Vulnerable Zone(s).

(g) Historical Accident Record

Describe any past releases or incidents that have occurred at the facility. Include date, time, chemical name, quantity and number of persons injured or killed (this information is available from the facility). If it is determined that a facility does not have a historical accident record, that shall be noted.

2. Hazard Identification

(a) Chemical identities

For each Extremely Hazardous Substance present at the facility at any time up to one year prior to the site visit provide the proper chemical name, Chemical Abstract Service (CAS) number and natural physical state (according to exhibit C of the Technical Guidance for Hazards Analysis).

(b) Maximum quantity on-site

Express in exact pounds (not range codes) the maximum quantity of each Extremely Hazardous Substance the facility has on-site.

(c) Amount in largest container or interconnected containers

Express in pounds the amount of each Extremely Hazardous Substance stored in the largest container or interconnected containers (this is the release amount used to determine the Vulnerable Zone).

(d) Type and design of storage container or vessel

Indicate the type of storage container of each Extremely Hazardous Substance (i.e., drum, cylinder, tank etc.).

(e) Nature of the hazard

Describe the type of hazard (i.e., fire, explosion) and health effects (acute and chronic).

3. Vulnerability Analysis

(a) Extent of the Vulnerable Zone

For each Extremely Hazardous Substance present at a facility, provide the estimated geographical area (vulnerable zone) that may cause

irreversible acute health effects or death to human populations following an accidental release.

(b) Facility Population

Provide the maximum number of employees present at the facility at any given time (**MUST BE AT LEAST ONE**).

(c) Critical Facilities

Identify each critical facility by name and maximum expected occupancy within each vulnerable zone (schools, day cares, public safety facilities, hospitals, etc.). If there are no critical facilities within the vulnerable zone, that shall be noted.

(d) Estimate Total Exposed Population

Provide an estimate of the total exposed population within each vulnerable zone (facility employees + general population + critical facilities).

4. Risk Analysis (the three ratings (Risk Assessment) at the bottom of the CAMEO/m Scenario Page will meet the four requirements below)

(a) Probability of release

Rate the probability of release as Low, Moderate, or High based on observations at the facility. Considerations should include history of previous incidents and current conditions and controls at the facility.

(b) Severity of consequences of human injury

Rate the severity of consequences if an actual release were to occur

(c) Severity of consequences of damage to property

Rate the potential damage to the facility, nearby buildings and infrastructure if an actual release were to occur.

(d) Severity of consequences of environmental exposure

Rate the potential damage to the surrounding environmentally sensitive areas, natural habitat and wildlife if an actual release were to occur.

D. Supporting documentation shall be submitted to the Division which lists the facilities for which a hazards analysis was not completed. In addition to the facility name and the State Emergency Response Commission Code identification number, supporting documentation should indicate:

1. Facility has closed or is no longer in business.
2. Facility is not physically located in the County (indicate appropriate County location, if known).

3. If the facility no longer has Extremely Hazardous Substances on-site or is below the Threshold Planning Quantity, notify the facility representative of the requirement to submit to the State Emergency Request Commission a:
 - (a) Statement of Determination (Attachment H), or
 - (b) Letter identifying the date and reason (closed, replaced with less hazardous substance) the Extremely Hazardous Substance is no longer present or below threshold.

E. On-Site Visits

1. Conduct a detailed on-site visit, within the period of this Agreement, of all the facilities listed in Attachment B, to confirm the accuracy and completeness of information in the hazards analysis.
2. Submit a completed Hazards Analysis Site Visit Certification Form (Attachment E) to the Division with the State Emergency Response Commission Code number included in the file naming convention (SERC12345SV). Add the site visit certification form to the Site Plan Tab of the Cameo Facilities Page for each facility visited or contacted.

(a) On-Site visit exception for sulfuric acid

- (1) For facilities listed on Attachment B that report the presence of only sulfuric acid, an initial on-site visit is required and an on-site visit form (Attachment E) signed and dated by the facility representative and the Recipient shall be submitted to the Division.
 - (2) In Agreements subsequent to the initial on-site visit, the Recipient shall contact the facility representative by email or telephone to verify the presence of all extremely hazardous substances. The on-site visit form shall be signed by the Recipient and identify the date the Recipient contacted the facility representative. Another on-site visit is not required in subsequent Agreements, unless, the facility reports the presence of another extremely hazardous substance.
 - (3) If a facility representative reports the presence of an extremely hazardous substance other than sulfuric acid in Agreements subsequent to the period of Agreement in which the initial site visit was conducted, the Recipient shall conduct an on-site visit and submit a completed on-site visit form (Attachment E) to the Division.
3. For each facility that a hazard analysis is conducted, submit a site plan to the Division with the State Emergency Response Commission Code number included in the file naming convention (SERC12345SP). Add the site plan to the Site Plan Tab of the Cameo Facilities Page. The site plan shall include:
 - (a) Location of major building(s)
 - (b) Name and location of extremely hazardous substance(s). If multiple extremely hazardous substances are co-located, noting EHS is acceptable.
 - (c) Name and location of street(s)
